---

One of the goals of Cockadoodle Days is to showcase many of the businesses and organizations that make Harrison County a great place to live. We are offering you the opportunity to have a booth at the festival that you can use for a variety of purposes. You can hand out information about your business or organization and/or you can sell items. We hope to offer the businesses and non-profits of Harrison County the opportunity to showcase their programs and build awareness with this festival. **If you are interested in a food booth, please contact Virgil Carpenter (812) 968-3272.**

All vendors will be located in the merchants building or in another location depending on what your booth needs are. The booth committee will have discretion over the placement of each booth. Each booth is \$40.00 for a non-profit organization and \$55.00 for all others. Vendors will be responsible for their own insurance, tables, chairs, electric cords, signage & etc. Once accepted, no refunds or cancellations will be accepted. Event is rain or shine. The festival committee reserves the right to remove any unacceptable items from your booth.

Event hours are Friday night from 4:00 to 11:00 pm and on Saturday from 11:00 am to 11:00 pm. All vendors are expected to be open during those hours. Set up will be allowed beginning at 9:00 am on Friday July 2. However, special considerations will be made for those wanting to come on Thursday July 1. If you have any special needs, please contact us and we will try to be as accommodating as possible. All vendors are responsible for their own sales tax and liability insurance.
